Dear Woodland Park Homeowner,

Your Public Safety Committee in cooperation with your local Fire Department and Fire Prevention Bureau has addressed a serious matter which exists throughout the more rural sections of the borough. The serious matter is the ability for emergency services (Police-Fire-E.M.S) to locate your home in an emergency in a timely manner.

Many of the homes located in these more rural areas of the Borough of Woodland Park are in need of proper numeric address markings including directional signage at the entrance to many roadways, driveways, and lanes. The Public Safety Committee in cooperation with the Fire Department and Fire Prevention Bureau has developed a corrective action plan to resolve this serious issue. Recently blue and white signs which are highly reflective with numerical addresses and directional arrows have been erected. These signs will give quick direction to emergency service vehicles responding to your home in an emergency. Specific areas are Rifle Camp Road, Woodland Drive, Cherchio Lane, Shadgers Lane, Oak Ridge Road, Elizabeth Lane, Squirrelwood Road, Lackawanna Avenue, Weasel drift Road, Wilson Avenue and Notch Road.

Now that these numeric directional signs are in place at no cost to the homeowner, we need to begin the next and final phase of our corrective action plan. The final phase of the plan will require the attachment of a similar blue and white numerical reflective sign to your mail box or in the case where a mail box is not located near your home, the sign will be placed at your driveway on a small post. The sign will be 18" high and 6" wide with reflective blue background and 3" high white reflective numbers.

We would like you to consider what may be one of the most important decisions of your LIFE. That question is, would I spend \$15.00 on a reflective sign that will help emergency services such as an ambulance or fire truck, to locate my home in a faster and more efficient manner during an emergency. I think the answer is "YES".

So to order your sign, just complete the attached form and remit your payment of \$15.00 made payable to the Borough of Woodland Park. There is also a statement which will give members of the Fire Department permission to install your numerical sign on your mail box, or at the driveway entrance to your property. The sign will be located so that maximum visibility will be provided to all emergency service vehicles.

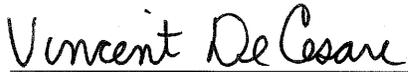

By installing this very inexpensive sign on your mail box or at the beginning of your driveway, you will greatly reduce the time it takes Emergency Service Units to locate your home.

So take a moment of your time to complete the enclosed form, and remit your payment made payable to "Borough of Woodland Park" to:

Borough of Woodland Park  
Attn: Bureau of Fire Prevention  
5 Brophy Lane  
Woodland Park, N.J. 07424

If you should have any questions concerning the corrective action plan mentioned above, please do not hesitate to contact the Fire Prevention Bureau Office at 973-345-3899.

Sincerely,

Vincent DeCesare, Councilman  
Public Safety Committee Chairman

Paul Salomone Jr., Fire Chief

Michael J. Muccio, Fire Official
