Dear Friends and Neighbors,

It is my pleasure to send you warm wishes and introduce the official 2026 Borough of Woodland Park Calendar! This year's calendar is not just a tool for tracking dates; it is a celebration of our vibrant community showcasing the beauty and spirit of our parks and local events. We hope it brings a little bit of Woodland Park pride to your home or office every day.

As your Mayor, I am constantly inspired by the spirit and dedication of our residents. This past year, we shared exciting news about the progress we've made in improving our town and enhancing many wonderful community programs. These achievements are a testament to what we can accomplish when we work together.

The physical spaces are only half the story. The true heart of our community lies in our Recreation and Before and After Care Programs. These essential services offer safe, enriching environments for our children and crucial support for working families—from youth sports leagues to enriching educational activities. These programs are what truly make living here special.

The continued success of these vital programs relies heavily on local involvement. We are always looking for enthusiastic residents to volunteer their time and talents. Whether you can commit an hour a week to coach a little league team, supervise an after-school art project, or simply assist with organizing a community event, your help is invaluable. Volunteering is the best way to meet your neighbors, share your skills, and see the positive impact of your actions firsthand.

I encourage you to explore our beautiful new parks and then take the next step by lending your time to our crucial programs. You can find more details and sign up to volunteer on the Borough's website.

Please keep this calendar handy and use it to mark the many great events and opportunities coming in 2026.

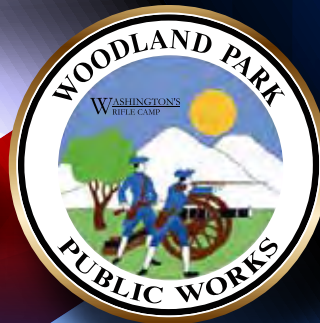

I wish you and your loved ones a joyful holiday season and a healthy, prosperous New Year.

Warm regards,

Tracy Kallert
Mayor
